

# Basingstoke East Scouts Annual Report – 2020/21

**Introduction**

*As Scouts, we believe in preparing young people with skills for life. We bring communities together and contribute to society. Above all, we aim to build better futures.*

*That's why we encourage across Basingstoke East, our young people to do more, learn more and be more. Each week, over 700 young people enjoy fun and adventure while developing the skills they need to succeed in life.*

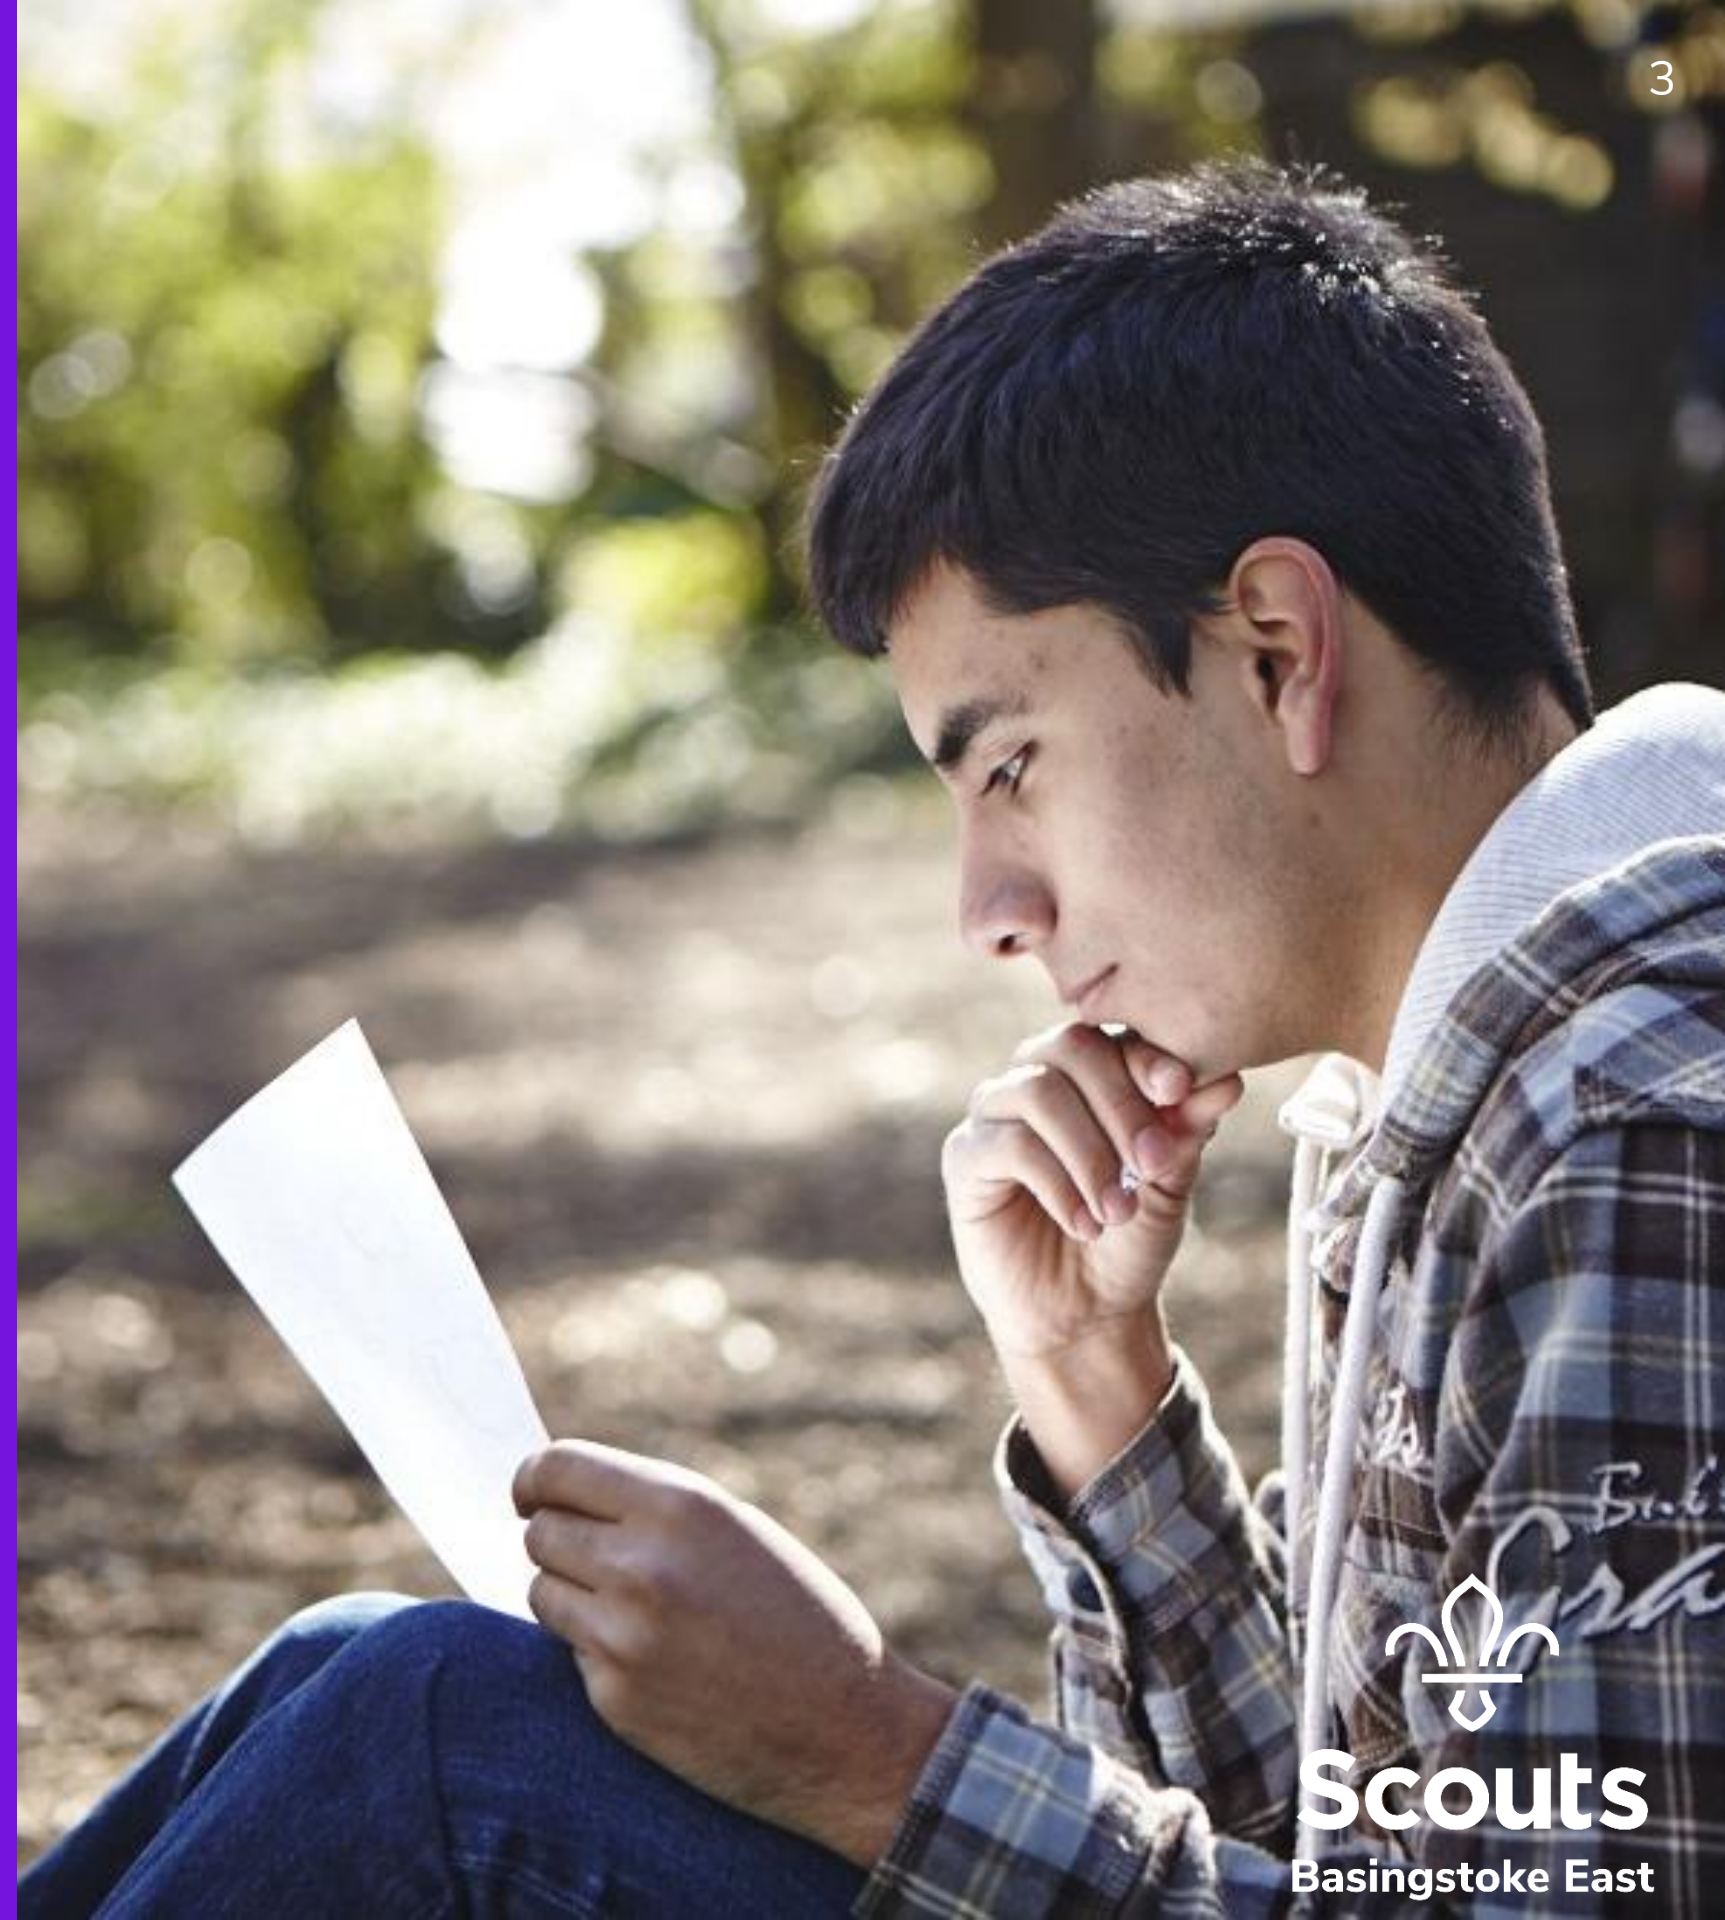

This annual report is part of our annual general meeting which will be taking place on **Wednesday 6<sup>th</sup> October 2021** at **20:00** via Zoom.

To join this event please use the following log in details:

Meeting Code: 844 3337 2054

Password: BEScouts

Please ensure when joining our zoom meeting you have your full name showing and your camera enabled.

**Our Charity & Trustees**

Basingstoke East District Scout Council is a registered charity in England and Wales: 1046979. The Scout District is established under the rules common to all district's ad groups within the Scout Association. The governing documents are those of The Scout Association, which consist of a Royal Charter, which in turn gives authority to the By-Laws of the Association and the Policy, Organisation and Rules (POR) of the Scout Association.

Across the last year the following trustees have been in place:

**Presidents**

President	Hugh Oliver-Bellasis
Vice-President	Robert Lock

**Ex Officio Trustees**

District Chair	Matthew Scott
District Commissioner	Keith Hawkins (until Dec 2020)
District Commissioner	Jamie Andrews (from Jan 2021)
District Secretary	Vacant
District Treasurer	Carol Mann

**Elected Trustees**

Group Scout Leader Air Scouts	Colin Karlake
Group Scout Leader 1 <sup>st</sup> Popley	Brigitte Cleall
Group Scout Leader 11 <sup>th</sup> Basingstoke	Jane Fraser
Group Scout Leader 8 <sup>th</sup> Basingstoke	Gillian Craft
Group Chair 1 <sup>st</sup> Basingstoke	Claire Dilly
Group Chair 6 <sup>th</sup> Basingstoke	John Purdy
Explorer Scout Unit Leader	Richard Green
Young Leader Unit Leader	Naomi Bailey

**Our Leadership Team**

**Jamie Andrews**

Commissioner  
(Perception)

**Vacant**

Deputy District  
Commissioner  
(People)

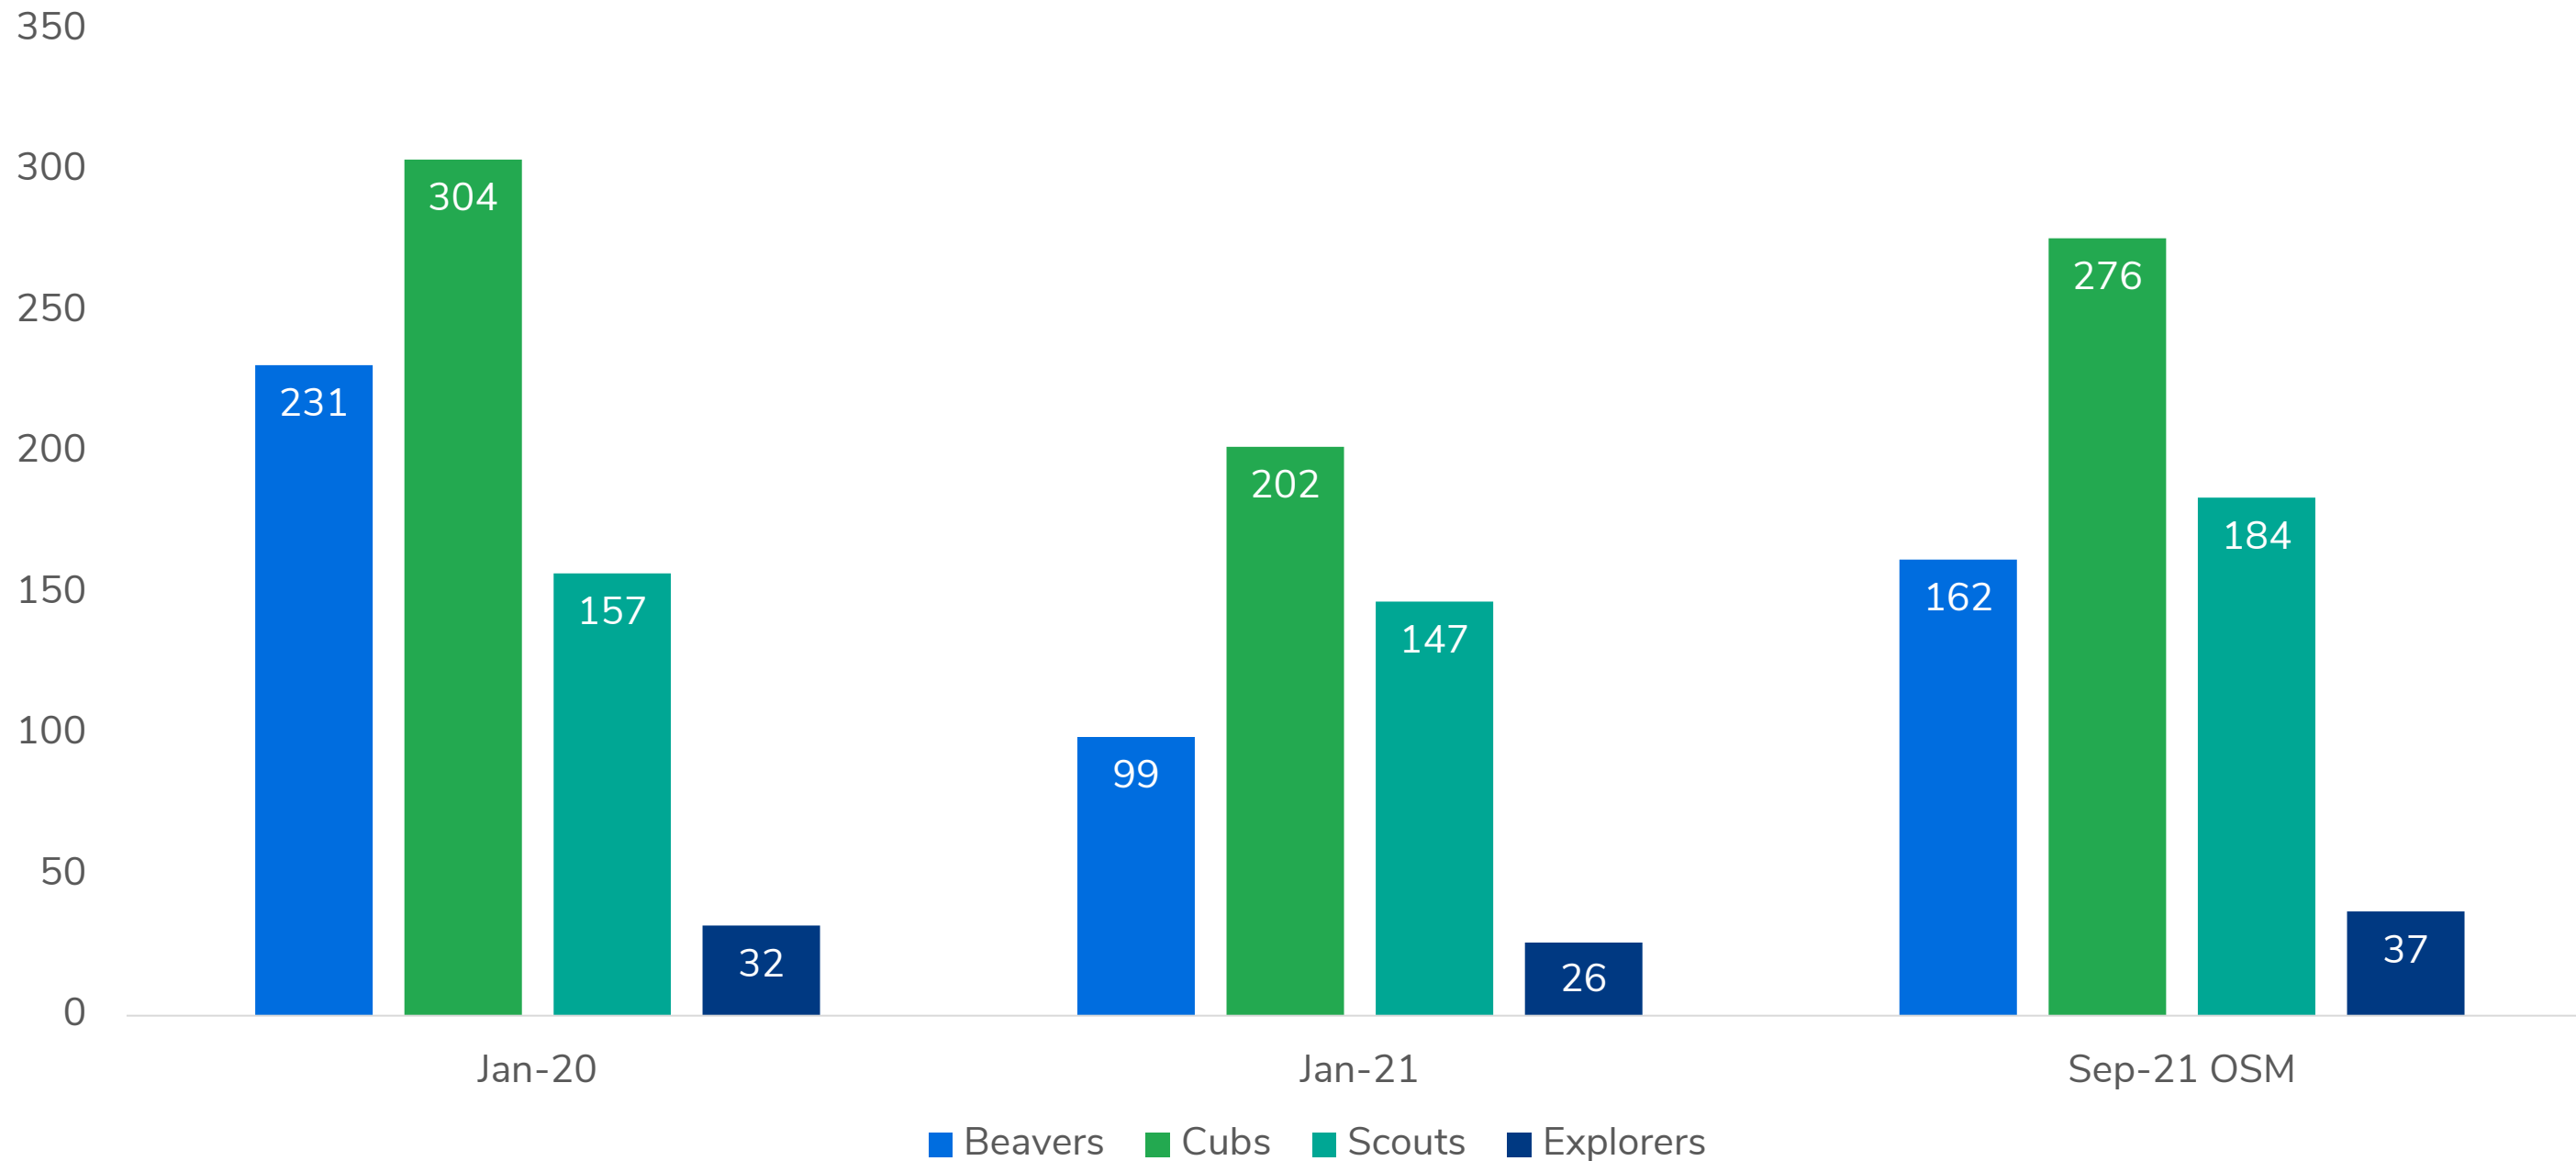

**Harrison Gorst**

District Youth  
Commissioner

Our District Leadership team look after the day to day running of the district as well as taking forward our strategic approach to put young people and our volunteers at the heart of all our decisions.

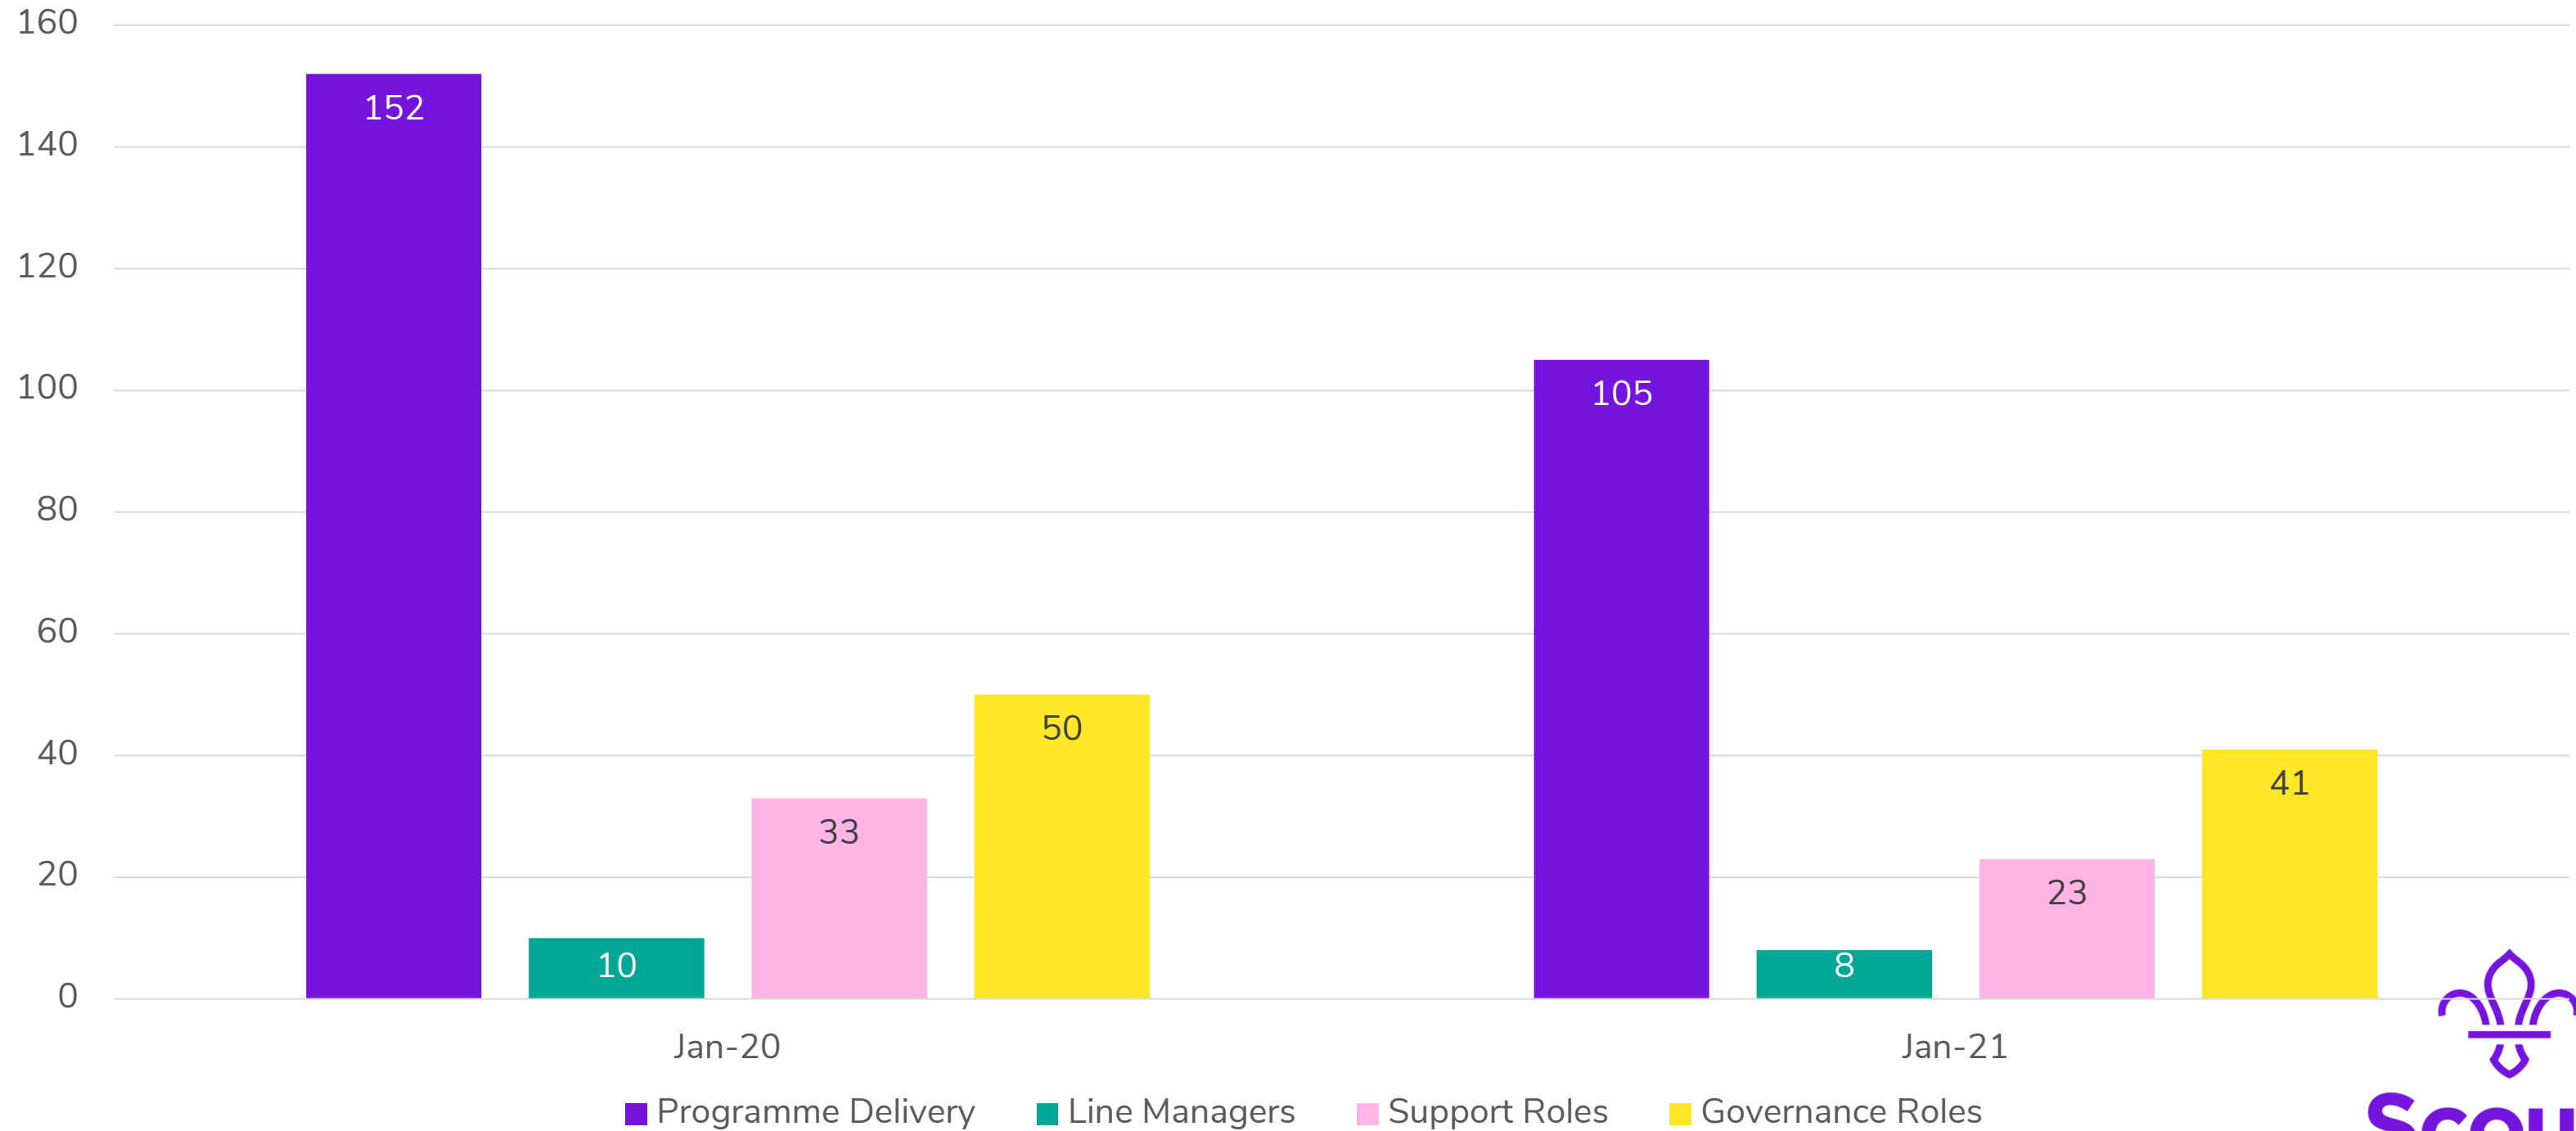

**Census Figures – Young People**

At the last census all sections had experienced a significant drop in the number of young people. This was to be expected with the impact of COVID-19. However our current numbers are showing we are well on the way to recovery. Our Beaver numbers still have some way to go but all other sections have recovered well.

**Census Figures – Adults**

Again the impact of COVID-19 was heavily noticed on our adult volunteers with a loss of 28% of adult volunteers from 2020 to 2021.

**District Chair Report – Matthew Scott**

Our first AGM since 2019 and what a lot has happened in that time. I thought it would be a good moment to update you on some of the administration and strategic developments that have been going on behind the scenes in Basingstoke East.

It has been a very busy two years. Firstly, our response to COVID-19, the speed at which we put in place our action plan and risk assessment tools made me incredibly proud of all of our volunteers. They say you truly see the best of people in a crisis and this one was no exception. The speed and professionalism that was displayed undoubtedly meant that we kept the young people of Basingstoke East as safe as we could do in the circumstances.

Once lockdown was in place we were immediately ready to launch our various online Scouting facilities. These have been adapted over the year and I think offer the young people the best Scouting experience they can within the restrictions placed upon us.

The removal of face-to-face Scouting meant that the Senior Leadership Team and the Board of Trustees has had the opportunity to focus on some long needed improvements to our communications and digital presence. I hope you will have been as impressed as I have been with the new websites that have been rolled out over the year. There is more to come in this area as we move the District into line with the modern world. All of our developments will mean that our volunteers will have more time to dedicate to face-to-face Scouting, as the background support will provide them with more agility to manage the administration tasks that come with being a Leader.

I am delighted to welcome Toni Allen along with her team who from January 2021 are our new Appointments Committee. Toni and her team will be working to modernise the appointments process and we will keep you updated as that work progresses.

I am also delighted to welcome Paul Carcone to the Board of Trustees as the proposed Executive Treasurer for the District. Paul brings a huge amount of Scouting and Management experience to the role and I look forward to working with him.

Like all organisations, Covid has understandably had an impact on Scouting and the experience we are able to offer to our young people. A notable reduction in participation has been highlighted in our Census return. The Senior Leadership Team and the Board were planning for this likely outcome and are therefore starting a plan to reconfigure Groups that have been affected the most. The Groups that are involved in this are already aware and are working with District to ensure those young people who wish to, can continue to experience Scouting in Basingstoke East. Finally, I want to formally welcome Jamie Andrews as our new District Commissioner. Jamie has been a tower of strength during the last year and has proved his commitment and skill for the task during his period as Acting District Commissioner. I congratulate him on his promotion and look forward to working with him.

I wish you all the very best in the coming year.

Matthew Scott, District Chair

[matthew.scott@bescouts.org.uk](mailto:matthew.scott@bescouts.org.uk)

**District Commissioners Report**

2021, like 2020 has been a year like no other. The COVID-19 pandemic has provided us as a charity with many challenges.

We began 2021 with a change of senior leadership team with Keith Hawkins stepping down as District Commissioner to take up the role of Deputy County Commissioner for Growth and Development. As a charity, we need to show our appreciation to all of the hardwork, dedication, determination and leadership that Keith provided during his term as District Commissioner. I personally am very grateful for all of the support that he has given me over the years and as such provided me with the readiness to take over as your DC.

Having been appointed as your DC, I decided to make some changes to the Senior Team and decided to appoint two Deputy District Commissioners in Jack Tracy for Programme and Paul Hogan-Williams for Perception. As a senior team, we have made some significant transformations since taking the lead with the core focus of putting our adult volunteers and young people at the centre of all decisions. 2021 also saw us look at new ways of working and we were delighted to welcome Bramley Scouts into the District.

Even though we have seen a reduction in the number of young people and adult volunteers, we have already taken some decisive steps to increase our membership. We are also looking at new ways of working to ensure that Scouting across the district continues to grow and develop. One such transformation that we cannot wait to progress is the introduction of the newest youth section 'Squirrels'. Watch this space for next steps.

We cannot comment on 2021 without mentioning the passing of our dear Scouting colleague, Beryl Mullender. She gave many years of selfless service to Scouting across the District in a multitude of roles. One way that we can honour Beryl's Scouting legacy is to ensure that 'the show must go on' making sure that we provide the very best Scouting opportunities for our young people and supporting our amazing volunteers.

I cannot wait to see how the charity continues to flourish into its next phase. It certainly is going to be exciting. Thank you to you all, for all that you do for Scouting in Basingstoke East.

Kind Regards

Jamie Andrews (He/Him)  
District Commissioner

# Programme Team Reports

Basingstoke East Scouts – Annual Report 2020/21

## Programme Team Report – Jack Tracy

Having taken on this role in January 2021, and it's been non-stop since go – but I've loved every minute!

We've had a whirlwind few months with supporting Sections getting back face to face (and understanding the at times complicated HQ guidance!), planning the first district events in 2 years, and continuing to push innovation on programme ideas while ensuring there's no road blocks on the way!

There's plenty of projects on-going at the moment including looking at launching Squirrels, the future of 14 to 25 provision and how we can make sure every young person is given an opportunity to complete their Top Awards!

We've made some key appointments to the team which has helped to continue our drive forwards, and I'm pleased to confirm that we've got another few to release in the coming weeks we hope, although we're still on the hunt for an ADC Beavers and Cubs!

Finally, I'd like to thank the whole programme team for making everything possible, without you guys, Basingstoke East wouldn't be what it is today!

Jack Tracy  
Deputy District Commissioner (Programme)

 [jack.tracy@bescouts.org.uk](mailto:jack.tracy@bescouts.org.uk)

Basingstoke East Scouts – Annual Report 2020/21

## Squirrel Introduction and Plans

### Jack Tracy (DDC Programme)

We were super excited to see the launch of Squirrels this year, the newest branch in our family tree, giving skills for life to four and five year olds.

This idea isn't new. Scouts across the world (and closer to home) have been trying this for years and in the UK since 2019. Early years pilots in Southampton, Portsmouth and Gosport have learned the lessons so now we're ready for more to join in.

This new section builds upon what the Scouts are known for today. So expect to find badges, adventures, making a promise and a uniform jumper in Squirrels.

We are currently working with Group Scout Leaders to understand how we can support opening Squirrel Dreys, and hope to open a Drey in early 2022.

Are you interested in leading Squirrels accross the district? If so, drop Jack Tracy an email on [jack.tracy@bescouts.org.uk](mailto:jack.tracy@bescouts.org.uk)

**Scouts**  
Basingstoke East

**Beaver Scout Section Report**  
**Jack Tracy (DDC Programme)**

This isn't the normal high impact report talking about the awesome trips that Beavers have been on...

As we all know, Scouting got moved online but our Beaver leaders did a FANTASTIC job at ensuring sessions could continue online with leaders posting out packs to parents with arts and craft resources, to making their own online activities which could be shared with groups across the world.

Several Groups across the district ran their own "stay at home" camps, as this was a great way for a Beaver to get a night away under Canvas, but being able to do it in a comforting environment.

Our job now is to continue delivering a great programme, ensuring that all Beavers are given the opportunity to complete their Chief Scout Bronze award.

The District Beaver Team are currently looking at events next year, and we're hoping to shortly release the dates for an upcoming camp!

We are still on the look-out for an ADC Beavers to help lead the time, if you're interested in this role please do reach out to Jack Tracy.

Basingstoke East Scouts – Annual Report 2020/21

## Cub Scout Section Report – Craig Harris (District Cub Scout Leader)

2020: a year like no other

Cubs across Basingstoke East certainly had a strange year, but the young people and leaders have all done an amazing job at continuing to provide a diverse and exciting programme in challenging circumstances.

Whilst the first few months of 2020 were like any other, March saw a complete stop to all face to face Scouting. This took some adjusting for Scouting and our own lives too. Shortly after Easter, most Packs began to provide some form of Digital Scouting. New to us all, this included running various sessions using Zoom, providing challenges to for the Cubs to do at home and lots of other exciting activities. In true Scouting spirit, we adapted to the changing circumstances over the remainder of the year to ensure that Cubs across the District stayed engaged and we were able to make a strong start to face to face Scouting when possible

Some Packs were able to provide Zoom sessions each week with varied activities such as Scavenger hints, cooking, crafts and lots more. Many Cubs were also lucky to take part in a virtual camp where they camped at home (inside or outside) and joined in a number of Zoom sessions over the weekend.

Huge thanks must go to the leaders that made this possible for the young people. In a challenging year, many of our young people were given the opportunity to continue their Scouting adventure. Virtual Scouting certainly isn't for everyone and it has been great to see everyone joining back together with face to face Scouting this year.

Whilst we're sure that we're all hoping for face time face scouting shall remain now, we now have lots of resources and ideas to support a virtual delivery of the scouting experience should we need to.

Fast forward to 2021 and it has been great to see that face to face scouting has returned and many of our young people have rejoined us, along with lots of new faces. The Cub sections across the District continue to bounce back and the numbers of Cubs are looking promising.

Thanks once again to the Cubs and Leaders for what we've achieved together over the year.

The District team are keen to bring back some District events soon so watch this space!

Basingstoke East Scouts – Annual Report 2020/21

## Scout Section Report – Graham Fisher (Assistant District Commissioner – Scouts)

I would like to take this opportunity to thank the District Scout team – namely Jamie, Jack and Paul - for their continued support over the past 9 months. Getting re-involved with Scouting as ADC Scouts in the midst of a pandemic was not something I envisaged this time last year, but I have been overwhelmed by the support from District and all the leaders involved in Scouting. Thank you!

Since joining Basingstoke East at the beginning of the year, I have focused primarily on getting to know as many Scout Leaders as possible. For those of you that I am yet to meet, expect an email from me at some point asking to come along one evening! I'd like to take this opportunity to express my gratitude to Jo & Adam from 1st Basingstoke and Richard from 11th Basingstoke. Thank you for putting up with my never ending list of questions, and for helping me get to grips with Scouting in 2021.

It goes without saying that the continued commitment to Scouting from all volunteers throughout the pandemic is truly inspirational, and you should all take great pride in the work you have done since the first lockdown, providing a welcome escape for both young people and parents!

I am sure many of you will be wondering what a new ADC Scouts means for the section, and looking ahead to the new term, I am keen to organise an evening activity to collate all the programme plans and risk assessments that each Troop has developed in recent years.

After hearing the feedback of many Scout Leaders, I hope to tap into your knowledge in order to create an online portal that will provide ideas for evening activities, guidance on how to complete each badge, contact information for adult volunteers, risk assessment guidelines and equipment lists; to name a few. I would really appreciate your support in getting this initiative off the ground and I hope this resource will also be extended to Beaver, Cubs and Explorers.

# Basingstoke East Scouts – Annual Report 2020/21

## Scout Section Report...continued

I am also really excited to announce that I am in advanced talks with Hampshire County Council and Basingstoke Town Council with regard to painting the A339 underpass in War Memorial Park. With the support of each Scout unit, local community groups and Basingstoke Girl Guides; I hope to create a community project that will see our Scout units paint murals along this beige underpass, showcasing the best that Scouts has to offer both for young people and the community.

An update will follow before the end of October hopefully, with information on how each Scout unit can get involved and when the painting will commence, hopefully some time in Spring 2022.

Also to look forward to in the new term, we have our Army Mechanics Activity Badge Day and Survival Skills camp taking place in October. This is a great sign for Scouting, with two great events for our young people in one month, we remain confident that we have passed the worst of the pandemic and these incredible District events will become all the more common once again!

As a new-ish member to Scouting, I still have a lot to learn, and I will continue to rely on your experience and enthusiasm to help ensure we continue delivering a quality programme to young people in Basingstoke East. I look forward to meeting with you all again as we welcome in the new term, and once again, thank you for everything you do in Scouting.

Basingstoke East Scouts – Annual Report 2020/21

## **Explorer Scout Report Jack Tracy (DDC Programme)**

We've still got two Explorer units across the district, Dragons and Phoenix. Both units are currently meeting back face-to-face, and in a sound position.

The Explorers have been invited to several District Scout activities and this is to help to try and bridge the gap to ensure older Scouts stay in Scouting and move up to Explorers.

Top Awards is going to be a key focus for going forwards, and making sure that everyone is aware that you can do your DofE through Scouting and also gain other badges along the way!

We are currently looking at the future of Explorers across the district, and how we can improve this to ensure we're delivering the best quality programme to our young people as possible, as part of this we're looking at how we can provide more Adventurous Activities to our Explorers, and hope to utilize the skills of BEAST to do this.

We are actively recruiting a District Explorer Scout Commissioner who's job it would be to help lead our Explorer Units going forward.

Basingstoke East Scouts – Annual Report 2020/21

## **Young Leaders Report**

### **Jack Tracy (DDC Programme)**

We've put a real spotlight on Young Leaders this year to ensure that we're compliant (with training guidelines) and that we're getting everything possible out of our young leaders.

As part of this, we've developed a new role of Assistant District Commissioner – Young Leaders, and it'll be their job to ensure we're doing everything possible to support our young leaders, and our adult volunteers.

I'd like to introduce Annmarie Smith-Browne as our new ADC – Young Leaders, Annmarie comes with a wealth of Scouting knowledge having been involved in Scouting as young person, then opening 8<sup>th</sup> Basingstoke's Beaver Colony, before moving to a short stint as an Explorer Leader at Dragons and then returning to 8<sup>th</sup> Basingstoke to assist running the Scout Troop.

It's an really exciting time for Young Leaders as we start to ensure that opportunities are available for them to develop further.

You can reach Annmarie via [youngleaders@bescouts.org.uk](mailto:youngleaders@bescouts.org.uk).

I'd like to thank Naomi Bailey for her time looking after Young Leaders in the district, and wish her every success on her upcoming WSJ trip.

# Perception Team Reports

Basingstoke East Scouts – Annual Report 2020/21  
**Perception Team Report – Paul Hogan-Williams**

Since starting this brand new role in January 2021 we have made some excellent progress in this area of team starting with the launch of our Adventurous activities active support unit, B.E.A.S.T. This new team will massively increase the provision of activities within the District. We are currently looking for a unit manager to help us shape this unit further so if you're interested in applying for this please see our website at [bescouts.org.uk/volunteer](https://bescouts.org.uk/volunteer).

I am also really pleased for another new role to have been introduced in the district and to have Georgina Charlton joining as Assistant District Commissioner for Inclusion. Georgina's role will focus on Diversity and Inclusion across the District provided support and skills to groups and leaders. This is an area I really believe we can grow as a district and look forward to seeing this progress.

September and the new term for this year, saw us launch our new district look. The previous blue necker for the district had a lot feedback and it was felt that we should modernise our look and to become more recognisable as a district. We have also launched our hoodies for both the district team and our B.E.A.S.T unit.

We've been getting out into the public eye to promote ourselves and are pleased to be working closely with the rotary club. We recently attended Basingstoke Festival of Transport with a climbing wall and soft archery range. This really showed off some of the things you can do in Scouting and resulted in a great increase in young people applying to join.

Looking into the future, we have already announced our first international trip as a district for quite some time with a magical adventure to Disneyland Paris in February 2023. We will be taking Cubs, Scouts and Explorers from across the district on this 4 day experience. We also looking at what other activities we can do in this area with an aspiration to provide an international opportunity at district level every other year. We have a number of people from the district in the shortlist for the upcoming World Scout Jamboree too. If you're interested in International Experiences then we are also on the look out for an ADC International, please get in touch with me if you'd like to discuss this more.

We recently had our first Adult Volunteers Social event, which gave adult volunteers across the district the chance to come together, network and share ideas and experiences around a campfire. This event was really appreciated by our volunteers and we plan to continue these at least twice a year. We are also in the process of arranging our first adult awards ceremony and looking at what else we can do to enhance our youth awards recognition.

Paul Hogan-Williams  
 Deputy District Commissioner (Perception)

 [paul.hogan-williams@bescouts.org.uk](mailto:paul.hogan-williams@bescouts.org.uk)

Basingstoke East Scouts – Annual Report 2020/21

## Diversity & Inclusion Report

### Paul Hogan-Williams (DDC Perception)

I am really excited to announce that Georgina Charlton is joining the district as Assistant District Commissioner (Inclusion). Georgina has a wealth of knowledge in diversity and inclusion .

We have included some key figures to our current standing across the district.

- On average 23% of young people identify as female however we see a large variation on this across each section.
- 53% of our adult volunteers identify as male
- Last census almost 40% of ethnicity was 'prefer not to say' which has made this area hard to understand. We will be looking to work with groups ready for next census.
- Last census over 35% of disabilities were reported as 'prefer not to say' and a further 54% reported no disability.

In line with the National vision and our own district vision to be more inclusive Georgina will be focusing on three key pillars:

- To Improve the accuracy of data
- Training and development programme for volunteers to raise awareness and build a network of inclusion champions
- Diversity and Inclusion activities to be embedded in all programmes.

[georgina.charlton@bescouts.org.uk](mailto:georgina.charlton@bescouts.org.uk)

**Scouts**  
Basingstoke East

Basingstoke East Scouts – Annual Report 2020/21

## **B.E.A.S.T Report/Introduction**

**Paul Hogan-Williams (DDC Perception)**

As part of our District Strategy to put our young people first we have looked at ways to enhance our programme offering across the district. We identified a massive gap in skill sets when it comes to the more adventurous activities and understand that the cost behind setting up these activities and training is a lot to put on our groups. We therefore are pleased to have launched B.E.A.S.T ASU in the last few months.

Basingstoke East Adventurous Scouting Team is an active support unit who's purpose is to provide activities across the district and to each of our groups as they require.

The unit is already running archery, shooting and axe throwing and after surveying our groups we are working towards providing kayaking hill walking and bushcraft weekends in the next 12 months.

We are currently seeking a unit manager to help shape and run the unit on a day to day basis, along with a unit coordinator to help support the manager with the administration side of things. We're also looking for new members who are keen to train towards a permit for an adventurous activity. If you're interested in any of these positions then please check out the units dedicated webpage at [adults.bescouts.org.uk/beast](https://adults.bescouts.org.uk/beast)

[beast@bescouts.org.uk](mailto:beast@bescouts.org.uk)

**Scouts**  
Basingstoke East

Basingstoke East Scouts – Annual Report 2020/21

## **International Report**

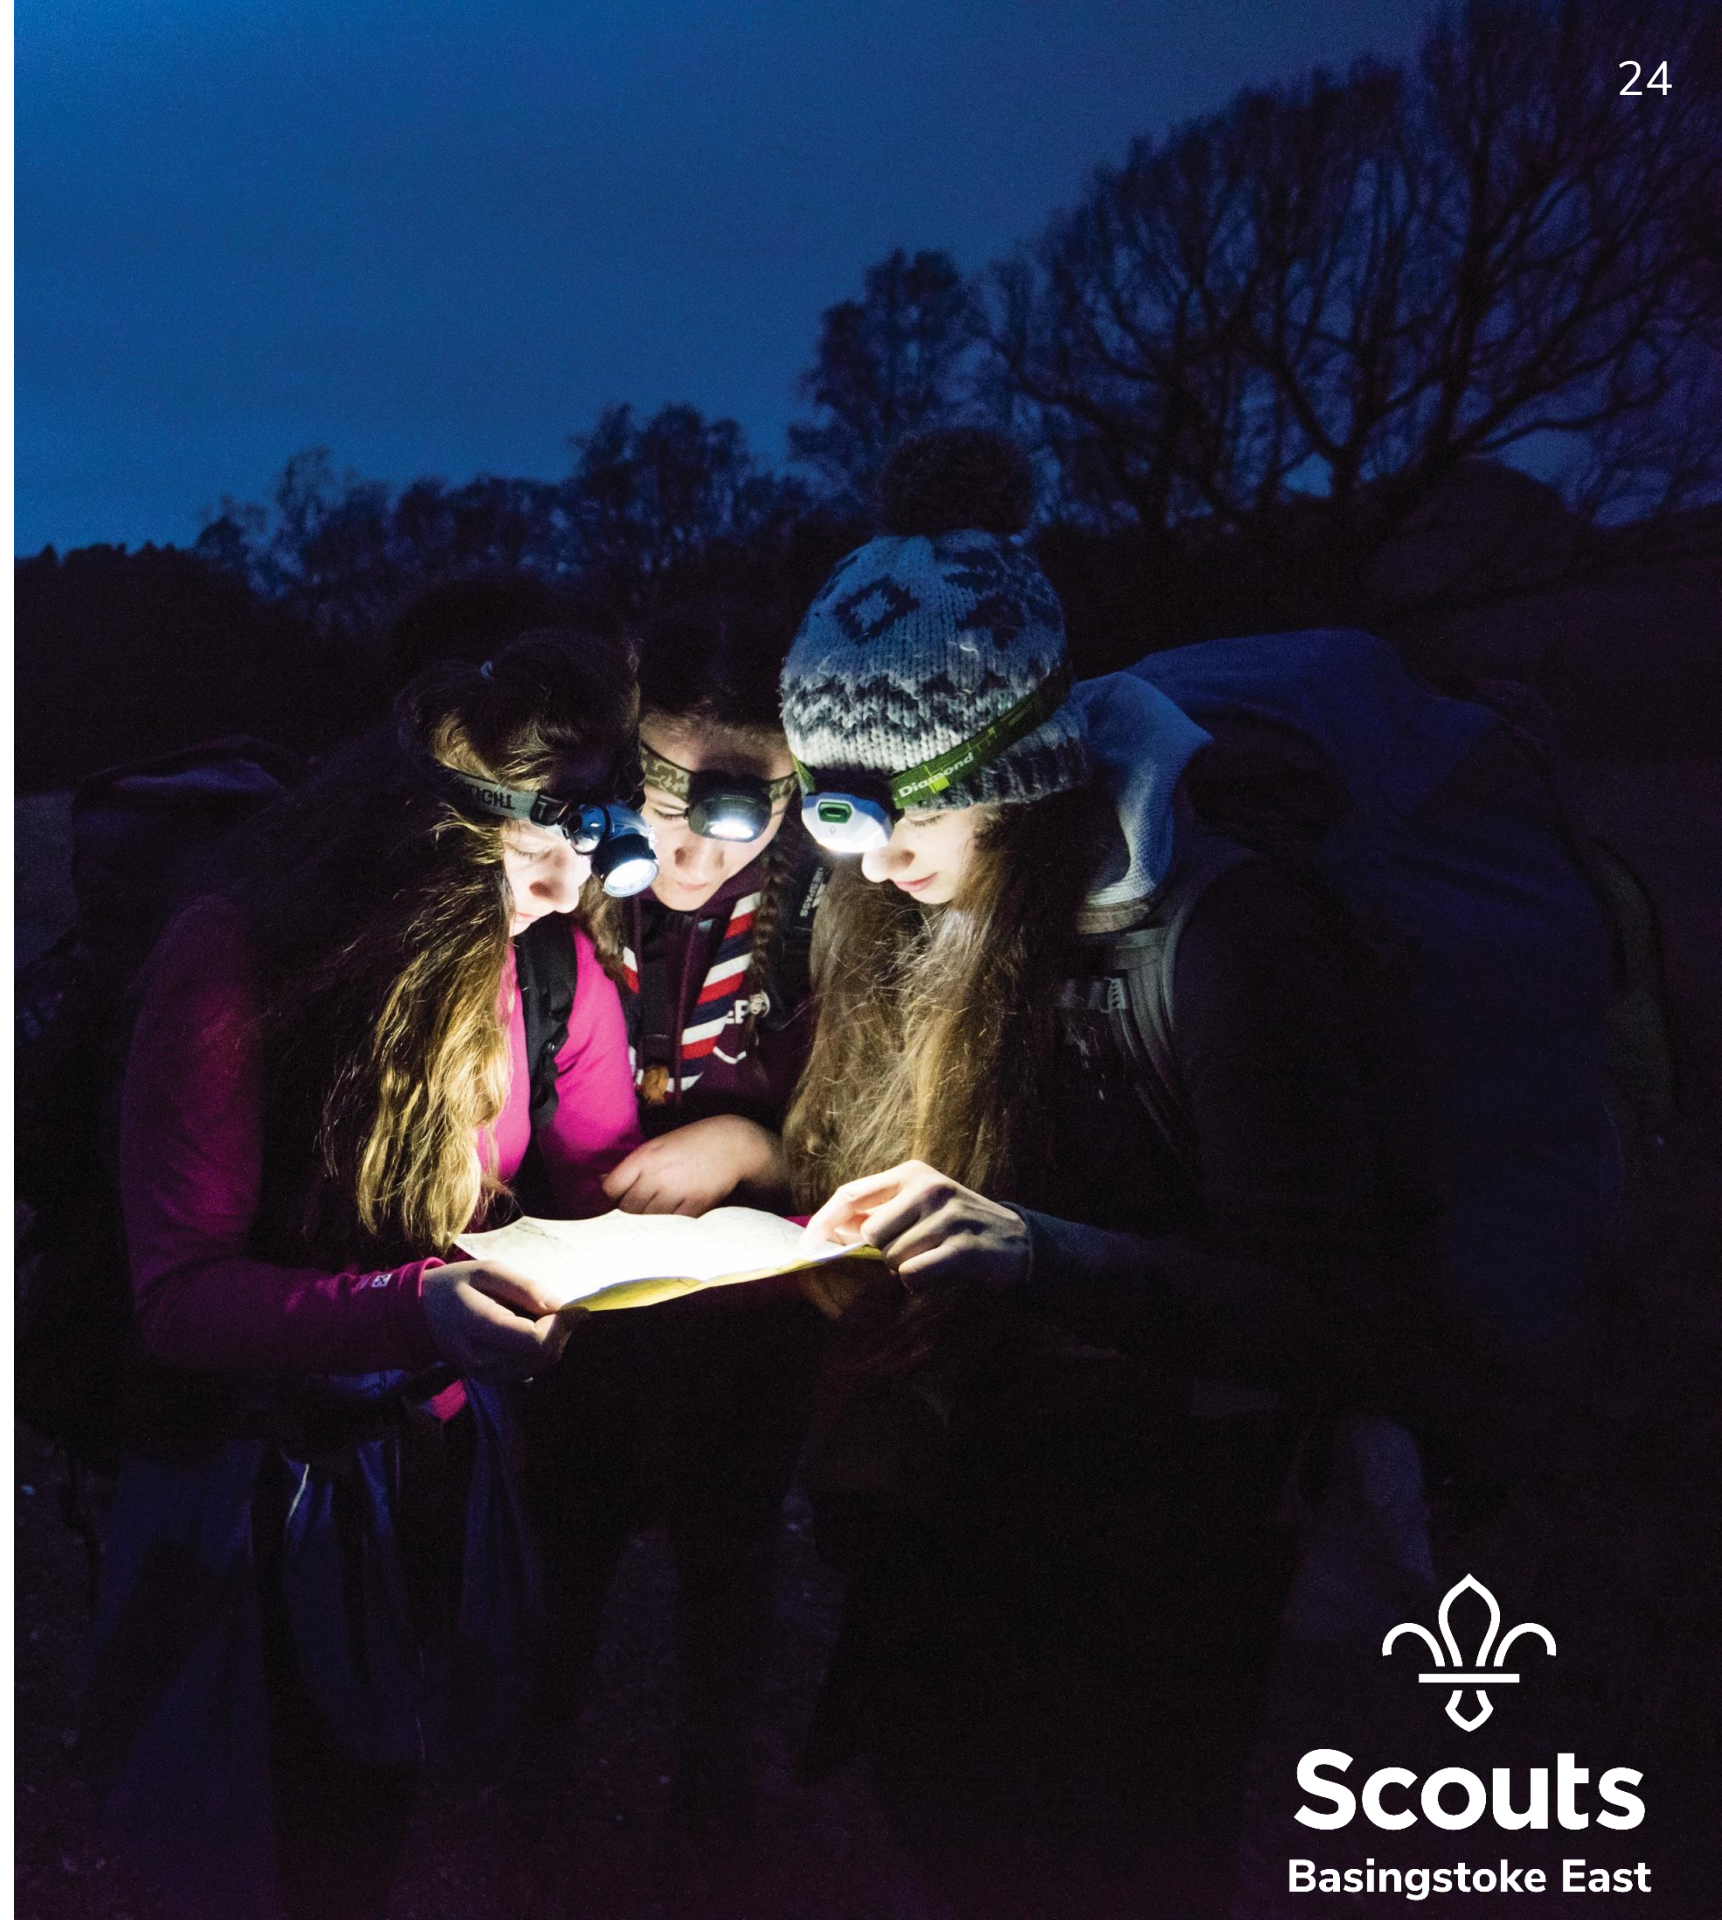

### **Paul Hogan-Williams (DDC Perception)**

It is really great to see that we have young people from across Basingstoke East currently on the shortlist to attend the 25<sup>th</sup> World Scout Jamboree in South Korea, this is a life changing opportunity and I wish them all the best of luck. We also are lucky to have one of our own volunteers, Noami Bailey helping to lead the Hampshire Contingent.

It is unfortunate that so many of our international events have been cancelled due to COVID-19 with the most recent be Moot which was due to take place in Ireland. However things are looking more positive for this events now with the announcement of locations for some key international events. Moot 2025 will be taking place in Portugal and Jamboree 2027 will be taking place in Poland.

Closer to home we have an international trip planned for our Cubs, Scouts and Explorers where we will be off to Disneyland Paris for 4 days of fun and adventure. You can read more about this exciting event on our website.

We are currently seeking an Assistant District Commissioner (International) to help us better provide international opportunities for our young people in Basingstoke East, if this role maybe of interest to you, please do get in touch with me.

# Youth Team Report

**Scouts**  
Basingstoke East

Basingstoke East Scouts – Annual Report 2020/21  
**Youth Commissioner Report**

Hi all

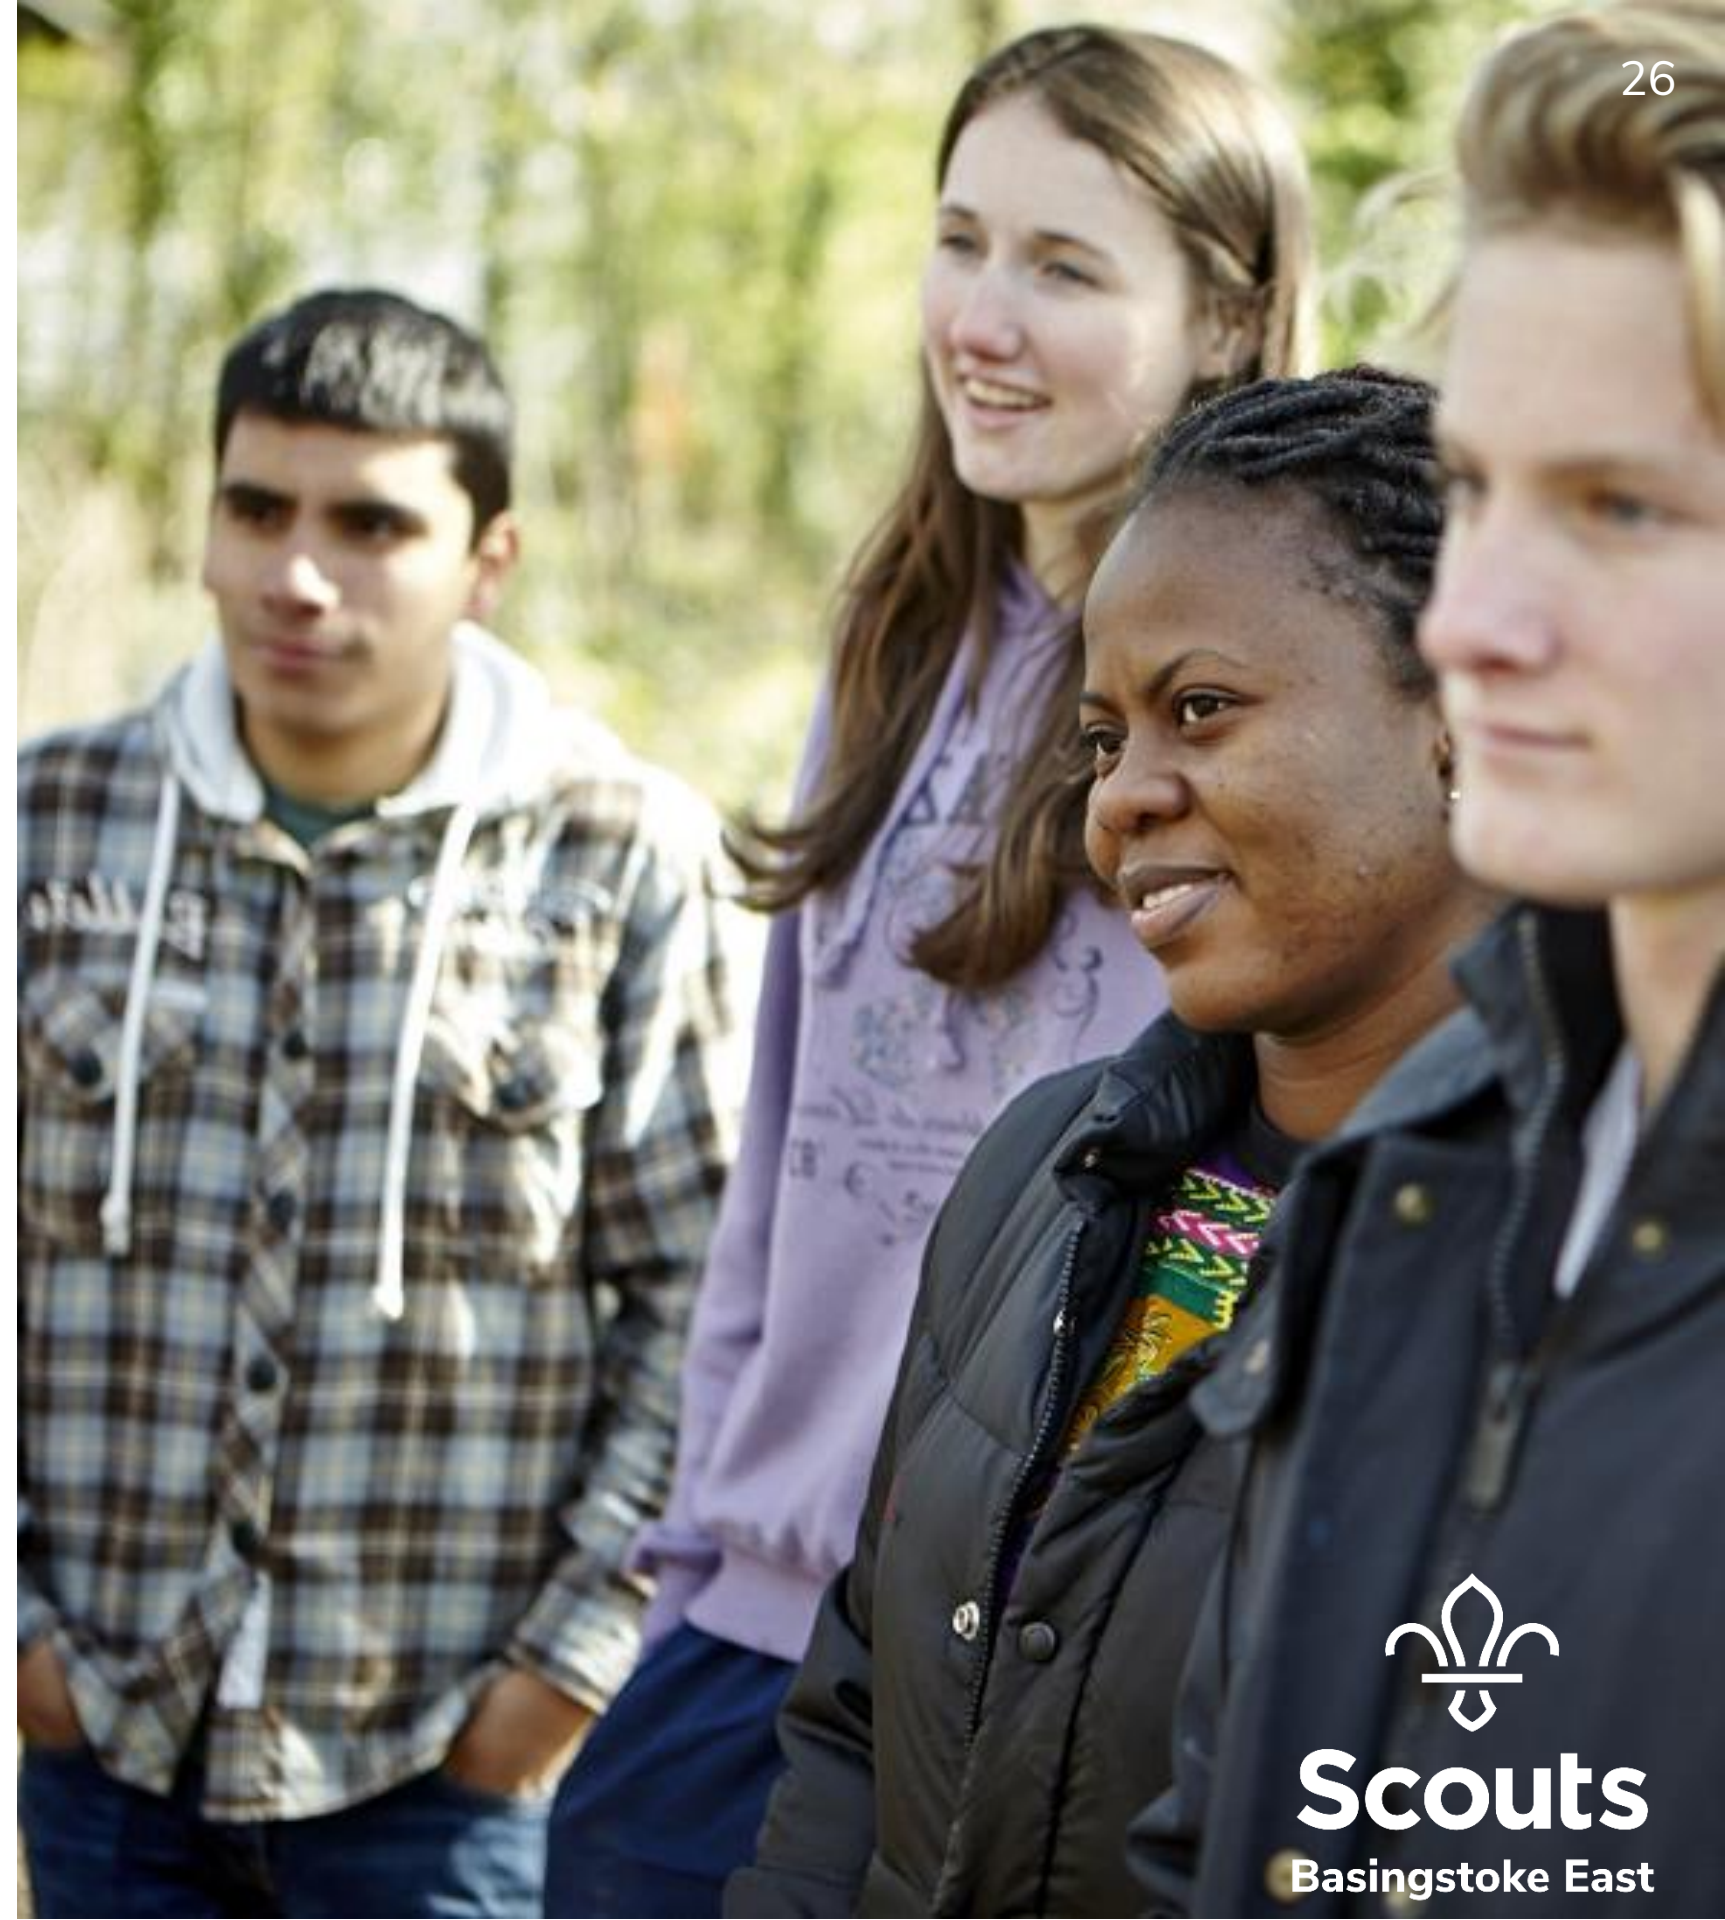

You will probably not have met me yet but my name is Harrison and I'm your new District Youth Commissioner! This is the first time Basingstoke East has appointed a Youth Commissioner so I'm really excited to get started.

My role is to ensure that young people remain at the heart of everything we do, and plan to do in the future. This involves running Youth Forums, establishing a Youth Council and ensuring that under 25 adult volunteers remain involved in leadership and governance.

Further to this, we're really looking forward to helping with the roll out of a brand new Top Award to be gained by our Scouts called the Youth Shape Award. More details will be released soon but the award is earned through young people taking an active part in planning and delivering their own programme events!

I hope to meet you all over the coming year. Please do reach out to me for anything Youth related I'm always happy to help.
