

Role Description

Team Member – Kit Out

Role Outline

Kit Out is a Basingstoke East Scout initiative, it's a 'Gear Share' project aimed at making outdoor activities more accessible to young people in our community (both inside of Scouting and local schools and charities).

As volunteer (Team Member) of Kit Out, you'll be key to ensuring the day-to-day operations of Kit Out happens – this means being part of the team to check in/out equipment and ensure it's being properly maintained and cleaned.

Responsible to: Team Lead (Kit Out) & Deputy District Commissioner (Support)

Main Additional Contacts: Team Members (Kit Out)

Appointment Requirements

You must successfully complete our adult appointment process (including acceptable personal enquiries and acceptance of The Scout Association's policies). During the first five months of provisional appointment the relevant Getting Started modules must be completed.

Main Role Responsibilities

- Check-in/out equipment from service users
- Maintaining, and cleaning equipment

Person Specification

Kit Out is a new project which requires someone who is agile in thinking and delivery, with an open mind to change to ensure a successful service.

Essential Skills

- Passionate about Scouting
- Customer focused with a commitment to delivering exceptional customer service
- Have a proactive and creative approach
- Able to communicate by telephone and email
- Able to relate with adult volunteers and young people
- Resourceful, energetic and enthusiastic about the job
- Good IT skills

Desirable Skills

N/A

Time Commitment

You'll be part of a team who will work a rota to ensure the operations of Kit Out is covered – this can be discussed with the Kit Out Team Lead, and there is flexibility on the commitment to the role. We wouldn't expect more than a couple of hours a month.
